LETTER

S I R:

In response to the Notice of August 31, transmitted herewith is a new CRF and paper copy of sequence information presented therein. It is asked that these materials be used to REPLACE the current CRF and paper copy of same.

It is noted that the action of May 7, 1999 did NOT include the points raised herein, although it was a sequence compliance letter. It is believed that the examiner is unduly prolonging prosecution.

The undersigned hereby asserts that to the best of his knowledge, the attached CRF and accompanying paper copy of same present information that is identical to each other and to information in the application as filed. No new matter is believed presented.

Respectfully submitted,

FULBRIGHT & JAWORSKI, L.L.P.
